

Southwick June 30-90

Dear Sir,

Mr. Pringle has asked
for your Description of the *Lophocaulis*
crucifera. He thinks he has it but
is not sure. He would like to receive
a lot of bulbs. I have forgotten about
it as to color &c. We suppose we
have one now plant here - not sure,
and this is all,

Mr. P. is having good success in
Boston Mex

Truly Yours
J. H. Hough
